

CURRICULUM VITAE

MICHAEL DAVID JASNOW, PH.D.

Office 6500 Seven Locks Road, Suite 220
Cabin John, Maryland 20818
(301) 263-11612 (Office)
(202) 318-1444 (Fax)
mdjasnow@gmail.com (e-mail)

Education

Ph.D., Clinical Psychology - 1983 George Washington University, Washington, DC
M.A., Psychology - 1977 New York University, New York City, NY
B.A., Philosophy - 1973 Clark University, Worcester, Massachusetts

Clinical Training

1986-1999 Graduate, Child Analytic Program: Baltimore-Washington Institute for Psychoanalysis
1986-1991 Graduate, Adult Analytic Program: Baltimore-Washington Institute for Psychoanalysis
1983-1984 Certificate in Infant Mental Health, Center for Infant Study
University of Maryland School of Medicine
1981-1982 Post-Internship training in psychodynamic psychotherapy
St. Elizabeth's Hospital, Washington, DC
1980-1981 Internship, St. Elizabeth's Hospital, Washington, DC
1979-1980 Externship, Department of Outpatient Psychiatry
Children's Hospital National Medical Center, Washington, DC
1978-1979 Externship, The Reading Center, Department of Special Education
George Washington University, Washington, DC

Dissertation

The Accommodation of Vocal Time Patterns in Mother-Infant Interactions

Principal Investigator

Down's Syndrome and Interpersonal Timing in Social Interaction (with S. Feldstein and J. Jaffe), a two-year research grant from the March of Dimes Birth Defects Foundation to the University of Maryland Baltimore County, 3/1985-4/1987. (\$18,000)

Down's Syndrome and Interpersonal Timing in Social Interaction (with S. Feldstein and J. Jaffe), an eight-month extension grant from the March of Dimes Birth Defects Foundation to the University of Maryland Baltimore County, 10/1988-5/1989. (\$8,000)

Down's Syndrome and Interpersonal Timing in Social Interaction. A two-year supplemental funding grant in support of March of Dimes grant from the Fund for Psychoanalytic Research of the American Psychoanalytic Association, 6/1985-5/1987. (\$14,000)

Co-Principal Investigator

Coordinated Interpersonal Timing of Vocal Behavior in Interactions with Autistic Children (with S. Feldstein and J. Jaffe), a two-year request to the March of Dimes Birth Defects Foundation, 3/1/90-2/28/92. (\$33,975, not funded)

Interpersonal Timing and Infant Social Behavior (with S. Feldstein at UMBC, C. L. Crown at Xavier University, J. Jaffe, B. Beebe, and Harold Fox at Columbia University), a two-year competing continuation research project under Grant No. R01-NS23219 from the National Institute of Mental Health. The consortium arrangement is with Columbia University as the primary site and the University of Maryland Baltimore County and Xavier University as contractees, 3/1/90-2/28/92. (\$237,465 for UMBC, \$180,121 for Columbia and \$80,753 for Xavier [approved but not funded])

Automated Quantification of Autistic Social Responsivity (with C. L. Crown and S. Feldstein at UMBC, J. Jaffe and B. Beebe at Columbia University, and M. Konstantareas at the University of Toronto), a three-year request to NIH, 4/1/88-3/31/91. (\$687,000; approved but not funded)

Neurological Basis of Communicative Disorder in Autism (with S. Feldstein at UMBC and J. Jaffe, B. Beebe, and C. Crown at Columbia University), a 3-year grant request (R01-NS24691-01) to NINCDS of NIH, 3/1/87-2/28/90. (\$777,431) (Submitted but not funded; to be resubmitted)

Interpersonal Timing and Infant Social Development (with S. Feldstein at UMBC and J. Jaffe, B. Beebe, C. Crown, and Harold Fox at Columbia University), a three-year research project under Grant No. 1-R01-NS23219 from the National Institute of Mental Health. The consortium arrangement is with Columbia University as the primary site and the University of Maryland Baltimore County as the contractee, 3/1/86-2/28/89. (\$385,679 for UMBC and \$317,015 for Columbia)

Awards

1987 Recipient of Lewis Hill Award
Baltimore-Washington Institute for Psychoanalysis

Editorial Activities

Former Reviewer: National Science Foundation

Teaching

1993-Present	Baltimore/Washington Institute for Psychoanalysis Teaching Analyst Continuing Case Conference—Adult Child Development II Dream Seminar
7/1996-2004	Assistant Professor Doctoral Program of Professional Psychology George Washington University Washington, DC
9/1985-7/1996	Assistant Clinical Professor Department of Psychology George Washington University Washington, DC

Professional Positions

- 2/86-Present Private Practice
6500 Seven Locks Road ♦ Suite 220
Cabin John, MD 20818
- 5/93-Present Teaching Analyst
Baltimore-Washington Institute for Psychoanalysis
14900 Sweitzer Lane ♦ Suite 102
Laurel, MD 20707
- 1990-1993 Consultant
Health Management Strategies
725 Duke Street
Alexandria, VA
- 8/93-10/95 Clinical Psychologist
Metropolitan Police Department
Police and Fire Clinic
Washington, DC
- 2/86-1990 Associate Research Scientist
Department of Psychiatry
College of Physicians and Surgeons
Columbia University
New York, New York
- 1985-1990 Adjunct Assistant Professor
Department of Psychology
University of Maryland Baltimore County
Catonsville, Maryland 21228
- 1985-1986 Staff Psychologist
Taylor Manor Hospital
Ellicott City, Maryland 21043
- 7/83-12/84 Instructor in Psychiatry
Department of Psychiatry
University of Maryland School of Medicine
- 7/83-12/84 Coordinator of Clinical Research
Center for Infant Study
University of Maryland School of Medicine
- 1983-1984 Consultant, Clinical Infant Development Program
Mental Health Study Center
National Institute of Health
- 1981-1983 Research Psychologist, Clinical Infant Development Program
Mental Health Study Center
National Institute of Mental Health
- 1980 Statistician, Department of Psychology
Children's Hospital National Medical Center
Washington, DC

Professional Positions (continued)

- 1979 Staff Psychologist, Godding Division
St. Elizabeth's Hospital
Washington, DC
- 1977-1978 Research Assistant, Department of Neuro-Epidemiology
Children's Hospital Medical Center
Boston, Massachusetts
- 1974-1975 Childcare Worker
McClellan Hospital
Belmont, Massachusetts

Presentations

Jaffe, J., Beebe, B., Feldstein, S., Crown, C.L., & Jasnaw, M.D. (July, 1999). *Degree and plasticity of adult-infant vocal coupling decreases from 4 to 12 months of age*. Poster presented at the Gordon Research Conference on Neural Plasticity, Newport, RI. (Not distributable)

Ashley-Hane, A., Feldstein, S., Crown, C.L., Beebe, B., Jasnaw, M.D., & Jaffe, J. (April, 1999). *The relation of mother-infant vocal coordination to attachment with 12-month-old infants*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.

Crown, C.L., Flaspohler, D.C., Jaffe, J., Feldstein, S., Beebe, B., & Jasnaw, M.D. (April, 1997). *Three mathematical models of social contingency predict sex differences in cognition and attachment in infancy*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Washington, DC.

Presentations (continued)

Crown, C.L., Flaspohler, D.C., Jaffe, J., Feldstein, S., Beebe, B., & Jasnaw, M.D. (June, 1996). *Contingency relates differently to attachment and cognition in male and female infants*. Poster presented at the American Psychological Society, New York, NY.

Crown, C.L., Flaspohler, D.C., Feldstein, S., Jaffe, J., Beebe, B., & Jasnaw, M.D. (June, 1995). *Mathematical models for coordinated timing*. Poster presented at the American Psychological Society, New York, NY.

Jaffe, J., Beebe, B., Anderson, S. W., Feldstein, S., Jasnaw, M. D. & Crown, C. L. (May, 1990). *Conversational and anticonversational turntaking in mother-infant vocal interactions at four months*. Paper presented at the Annual TENNET Conference, Montreal.

Jaffe, J., Feldstein, S., Anderson, S., Beebe, B., Crown, C. L., & Jasnaw, M. D. (April, 1990). *Turn-rule structures in protoconversation*. Paper presented at the International Conference on Infant Studies, Montreal.

Feldstein, S., DiGregorio, I., Crown, C. L., Jasnaw, M. D., Beebe, B., & Jaffe, J. (April, 1990). *Infant temperament and coordinated interpersonal timing*. Poster presented at the International Conference on Infant Studies, Montreal.

Feldstein, S., Jasnaw, J. D., Crown, C. L., DiGregorio, I., Beebe, B., & Jaffe, J. (March, 1990). *The possible heritability of dialogic time patterns*. Poster presented at the Eastern Psychological Association, Philadelphia.

Beebe, B., Jaffe, J., Crown, C. L., Jasnaw, J., Feldstein, S. & Gordon, S. (April, 1988). *Influence in mother-infant versus stranger-infant vocal dialogue: A cross-site replication*. Poster presented at the International Conference on Infant Studies, Washington, D. C.

Crown, C. L., Feldstein, S., Jasnaw, M. D., Beebe, B., Wagman, I., & Jaffe, J. (April, 1988). *The temporal coordination of neonatal gaze with adult vocal behavior*. Poster presented at the International Conference on Infant Studies, Washington, D. C.

Crown, C. L., Jasnaw, M. D., Taylor, L., Feldstein, S., Jaffe, J., & Beebe, B. (April, 1987). *Gaze behavior of Down-Syndrome infants in interactions with their mothers*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.

Feldstein, S., Fink, B., Crown, C. L., Jasnaw, M., Jaffe, J., & Beebe, B. (April, 1986). *Conversational rhythms of boys born prior and subsequent to their autistic siblings*. Paper presented to the Rocky Mountain Psychological Association, Denver, CO.

Jasnaw, M., Klein, G., & Modaresi, T. (December, 1984). *Infant mental health: New perspectives*. Workshop presented at Eastern Shore Psychiatric Hospital, Cambridge, Maryland.

Jasnaw, M., Klein, G., & Modaresi, T. (November, 1984). *Infant mental health: New perspectives*. Workshop presented at Carroll County Health Department, November, 1984.

Jasnaw, M., Feldstein, S., & Brandt, L. (April, 1984). *The accommodation of vocal time patterns in mother-infant interactions*. Paper read at the Eastern Psychological Association, Baltimore.

Lourie, R., & Jasnaw, M. (1983). *New perspectives in prevention with the multi-risk family*. Paper presented at the National Conference for the Handicapped Child. Sponsored by the Department of Education, Washington, DC

Jasnaw, M., Feldstein, S., & Brandt, L. (April, 1983). *Adult-like temporal characteristics in vocal behavior in mother-infant dyads*. Paper presented at The Eastern Psychological Association, Baltimore.
